I will not be making it to transform unfortunately but hopefully next time we can catch up!

I realize that Florance and I both requested the same details. Feel free to just follow up with her about the locations.

Thanks!

Hey Brett. All good here. Just busy with the expansion of our partnership. I can get you that information. Can I get it to you tomorrow? If you happen to make it to Transform, stop by our booth!! I will be manning it most of the time.

Thank you,
Bryan

Hi Bryan!

Long time no see! Hope you are doing well!

Our IT team is looking to get the locations (city, state, country) of all Paradymers currently working on C3 projects. The reason is so our IT can tie their systems to a location to support operations.

Are you able to provide this or is there someone else that could help me?

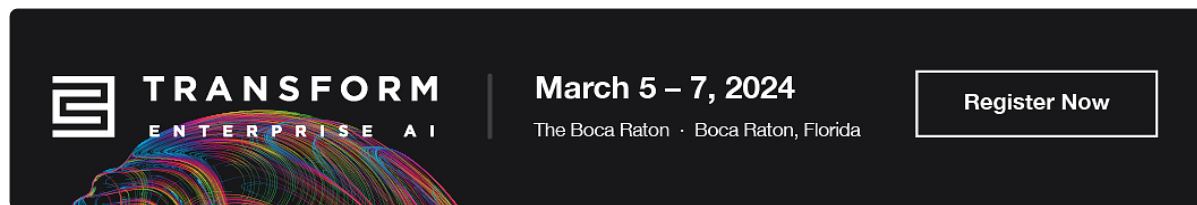

Thanks,

Brett
